Type - Double Lined Landfill | **Services** - Transportation & Disposal

Material Accepted: Wood and Coal Ash, Incinerator Ash, Sand Blast Grit, Non-Hazardous Soils, Virgin and Waste Oil Contaminated Soils, Leather Tanning Waste, Laundry Sludge, Non-Friable Asbestos, Oil/Water/Air based drill cutting mud. Non-TSCA PCB Soils, Construction/Demolition Debris and Non-Hazardous MSW.

12 McKean County Landfill - Mount Jewett, PA

Type - Double Lined Landfill | **Services** - Transportation & Disposal

Material Accepted: Waste Water Treatment Plant Sludge, Wood and Coal Ash, Incinerator Ash, Sandblast Grit, Non-Hazardous Soil, Virgin and Waste Oil Contaminated Soils, Infectious/Chemotherapeutic Waste, Chipped Tires 5" minus, Municipal Solid Waste, Construction and Demolition debris, Oil/Water/Air based Drill Cutting Mud.

INNOVATION

We're developing and operating state-of-the-art, disposal facilities that provide an innovative, responsible approach to protecting our natural resources and the environment.

COMMUNITY

Through sustainable environmental and economic development (SEED™), we're taking a new look at the waste stream; reshaping the traditional role of a landfill—from a place where things go when we're done with them—into a basis for building renewable energy sources that revitalize local economies.

WASTE NOTHING

Our focused strategy is to create partnerships that use our unique ability to link recycling and other sustainable environmental opportunities to meet the needs and expectations of the customers we serve. Call our customer service staff to assist you in creating a sustainable solution for all of your material disposal needs.
